

Your Best Advocate is **You**

A free webinar series, brought to you by Pfizer and a prescription treatment option for a certain kind of mBC, features relevant topics and candid perspectives from people facing the challenges of an mBC diagnosis.

Topic:

Be your own advocate

Metastatic breast cancer (mBC) Ambassadors, Kate and Norma, share their best strategies for self-advocacy to help others living with mBC own their healthcare experience.

Date: Thursday, June 23
Time: 6:00 PM ET

Sign up today to hear powerful, true stories about life with mBC from those who face it daily.

**To register, call 1-844-390-8704
or visit mbcperspectives.com**

Pfizer asked the Ambassadors to share their stories.
