WHAT IS MBC CONNECT?

MBC Connect is an interactive, web and mobile-friendly patient experience registry where you can share your MBC disease history, experiences and quality of life information.

- Update MBC Connect with new information as your disease experience changes over time
- **NEW!** Enter your demographic information and disease history into the app and get potential matches with clinical trials
- Information is encrypted, and any personally identifiable data is removed before being released or shared
- Available in English and Spanish in the U.S.

BE PART OF A MOVEMENT

You have the power – in the palm of your hand – to contribute valuable information to advance MBC research

RECEIVE CUSTOM- TAILORED INSIGHTS
